A Parliament of Owls (Hardback)

By Mike Unwin

HarperCollins Publishers, United Kingdom, 2016. Hardback. Condition: New. Language: English . Brand New Book. A unique collection of stunning photographs and detailed portraits of over fifty of the most striking owl species around the world. The less we know about something, the more we create a mythology around it. This is especially true for owls. Mainly nocturnal, generally silent, and reliant on the element of surprise in their attacks, they seldom encounter humans, but we have still created a vast body of legend around these mysterious avians - for some, they symbolise wisdom, for others they are the agents of evil or harbingers of death. Understanding these birds is a great challenge outstandingly met by award-winning natural history author Mike Unwin and David Tipling, one of Britain's foremost photographers. Unwin, who has watched and admired owls all over the world, captures the essence of each species, while explaining the unique natural history that has made these silent assassins the most effective feathered predators of darkness. He describes a fascinating range of breeding and hunting behaviour, the unusual calls that have given rise to so much superstition, and the cultural impact of owls around the world. The stunning range of...
