FIRST GRADE TAKES A TEST

Star Bright Books, United States, 2006. Paperback. Book Condition: New. Ronald Himler (illustrator). Reissue. 251 x 226 mm. Language: English . Brand New Book. This timely book, reissued with new art, goes right to the heart of the school testing issue. When the lady from the principle s office brings in a test for the first grade class, the children find that none of the proffered answers are exactly right, so they have trouble with the test. Fortunately, their teacher knows what s really important: being creative and being a good friend, things that can t be found on a standardized test. This is a great book to remind people that being smartest on a test may not be all that matters in the classroom.
