l'espagnol

By Anton Martinez, Francisco Javier

ASSIMIL, 2015. Paperback. Condition: NEUF. L'espagnol est une langue en pleine expansion ! Parlé, en tant que langue maternelle, par plus de 400 millions d'hispanophones - essentiellement en Amérique du Sud -, le castillan est également la première langue étrangère étudiée dans le monde. Pour les touristes comme pour les hommes d'affaires, il devient donc indispensable de maîtriser cette langue aux racines latines et aux accents si différents d'un continent à l'autre. Cette méthode offre tous les outils pour arriver à maîtriser les bases de l'espagnol en quelques mois, à la condition d'y consacrer une petite demi-heure par jour. Au fil des 100 leçons sont égrenés l'essentiel de la grammaire, le vocabulaire usuel et tous les éléments de base pour communiquer facilement avec nos voisins castillans et les hispanophones du monde entier. Les enregistrements reprennent l'intégralité des textes en espagnol des leçons et des exercices de traduction du livre. Ils sont interprétés, à un rythme progressif, par des locuteurs natifs professionnels. - Nombre de page(s) : 608 - Poids : 720g - Genre : Espagnol Méthodes Livres SANS PEINE.

Reviews

Complete guideline! Its such a excellent read. This really is for all who statte there had not been a worth studying. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Timothy Lynch**

This pdf is definitely worth getting. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Jeramie Davis**
