From the national bestselling author of the Vampire Earth series comes the first novel in an epic fantasy saga where dragons struggle to survive in an age of fire. High in the mountains, deep in the safety of a cave, a brood of dragons is born. The four young ones are among the last of a dying breed--the last hope for dragons survival. But hope shatters when a murderous group of slave-trader dwarves breaks into the cave, leaving a wake of death and destruction. Only young Auron, a rare, defenseless gray dragon, manages to escape. Armed with nothing but his claws and a boundless determination to survive, he sets off in search of his kind. But to find other dragons--or, at least, find out who s killing them off--Auron will have to search a world of mercenary elves, vicious humans, and dangers of all kinds. Finding allies in the strangest places--and finding himself along the way--Auron is about to make the trek of a lifetime.
