Thames Hudson Ltd, United Kingdom, 2016. Paperback. Book Condition: New. 270 x 250 mm. Language: English . Brand New Book. This essential publication reintroduces the importance of learning to see by hand , to visualize large-scale design schemes and explain them through drawing, before using the digital tools that are so crucial to efficient and cost-effective building solutions. Combining traditional drawing techniques with those from CAD rendering, Drawing for Landscape Architecture guides practitioners from their very first impression of a site, through concept and schematic design and client presentation to construction and site drawings, concluding with two case studies that show the final result. Just as hand-drawing returns to design courses around the world, this welcome publication celebrates the best aspects of traditional techniques while incorporating them into today s digital design methods.
