Taylor Francis Inc, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Despite Asia s protracted economic troubles, the region is poised to recover and perhaps become stronger than ever. This timely work identifies the major challenges facing Asia s Four Tigers (Singapore, Taiwan, South Korea, and Hong Kong), Japan, China, and their Southeast Asian neighbors (Thailand, Indonesia, Malaysia, and the Philippines) as the region increases its role and stature on the world stage. Highly regarded Asia policy makers and opinion shapers consider such key questions as: What is the appropriate response to China s ascent? Are there prospects for U.S.-Asian partnerships (in such areas as the environment)? Is economic cooperation between both sides of the Pacific realistic? How can Americans gain from Asia s attempts to rebuild her institutions? And will East Asia and the United States adjust to a multi-polar security and economic milieu?.
