

The Science of Getting Rich and the Art of Money Getting

By Wallace D Wattles, P T Barnum

Digireads.com, United States, 2005. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.Contained within this volume are two classics on the subject of acquiring wealth. Both books look at the subject from the perspective of the fundamental principles that exist for the successful creation of wealth and money making enterprises. At the same time both works seek to be practical guides to help readers figure out for themselves the way to generating a more financially rewarding lifestyle. The path to wealth begins with a shift in the way that you view your life and work and these two short works will greatly help all who read them on the way to not only a more financially rewarding life but an emotionally wealthy one as well.

Reviews

Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Morris Cruickshank**

A top quality publication as well as the typeface used was intriguing to learn. Yes, it is play, still an amazing and interesting literature. I discovered this publication from my i and dad suggested this book to learn.
