Createspace, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Sebastian is the story of a young man who, due to an unfortunate accident, has his leg amputated shortly before World War I. When his father is drafted to the war it falls to him to run the family grocery store in Vienna, to grow into his responsibilities, bear loss and uncertainty, and hopefully find love. Sebastian Schreiber, his extended family, their friends and the store employees experience the golden days of pre-war Vienna, the time of war and the end of the Monarchy, while trying to make a living and to preserve what they hold dear. Fischer convincingly describes life in Vienna during the war years; how it affected the people in an otherwise safe and prosperous location, the beginning of the end for the monarchic system, the arrival of modern thoughts and trends, the Viennese class system and the end of an era. The step back in time from Book 1 and the change of location from Slovakia to Austria enables the reader to see the parallels and the differences deliberately out of sequential order, so as not to see one as the consequence of the other, but to experience them as the reality it must have felt like for people at the time.
