iUniverse, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Why God Wants You Wealthy and Government Wants You Poor attempts to dispel the long-held belief that God does not want his followers to be wealthy, and presents a variety of sources and information to argue why the government conspires to keep people poor and unsuccessful. Kevin Patterson shares his in-depth knowledge of business development as he explores the vast differences between what he feels God wants spiritual seekers to achieve and the government's history of playing an intrusive role in hampering business development. Through reliance on Scriptures and stories of successful entrepreneurs, Patterson motivates those who want to improve their financial status and well-being by including advice and helpful tips on many practical topics including: The definition of a true asset Ways to build a vision and a great team How to save money to start a business Methods of investing that will increase wealth How to rise above the naysayers Patterson inspires anyone who is tired of waking up every morning and facing the same drab day to begin tomorrow with a new determination to reach for the stars and create a dream life!.
