C., August 5, 1911. Sir: I have the honor to transmit herewith a monograph presenting and describing a standard form for reporting the financial statistics of public schools, prepared by Mr. Le Grand Powers, chief statistician in charge of statistics of cities, and Mr. W. S. Small, principal of the Eastern High School, of Washington, D. C., and presented by the latter at the annual meeting of the Department of Superintendence of the National Education Association, held at Mobile, Ala., February 23-25, 1911. In classification and terminology this Standard Form corresponds to that of Schedule G 34, now used by this bureau for reporting the financial statistics of schools. The obligation of the Bureau of the Census to present the financial statistics of schools is a part of its duty to prepare annually the financial statistics of cities. A large part of municipal expenditure is for purposes of education, and no statement of city...
