Certainly, this is actually the greatest job by any author. It is definitely simplified but excitement inside the 50 percent of the book. I am just easily will get a delight of studying a composed pdf.

1 JOHN: A BIBLE + DOODLE STUDY FOR KIDS (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Studying the Bible doesn't have to be boring. It doesn't have to be difficult. And it definitely shouldn't feel like a bad homework assignment. Yet so often we end up dreading it. Slogging through. Until eventually, we shove the book to the back corner of the closet where we can avoid it without feeling too guilty. This Bible study is different. No daily assignments. No lists of questions. No teacher talking down to you. In this study, you'll read 1 John, studying the meaning by looking up words, making lists, understanding the context, and comparing what you read with other parts of the Bible. You'll ponder some really good questions (that have more than one right answer!) and take time to pray. Along the way you'll express your creative side by using a notebook to record your learning with doodles, fun fonts, journaling, and maybe a splash of color (if that's your thing). Through this process you'll experience real joy from discovering that the Bible has real meaning for your real life, right where you are today.
