Reviews

Very good electronic book and valuable one. It is actually written in basic words instead of difficult to understand. I discovered this ebook from my i and dad encouraged this publication to discover.

YORKSHIRE PUDDING: LOVE IS A DESTINATION (PAPERBACK)

Defranco Entertainment, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Love, it seems, is transcendental. At least that's what Monique (Momo) and nine-year-old Tutor Moot think after discovering beautiful and serendipitous connections between their herd of Yorkshire terriers that they breed and sell, and the people the little terriers choose as their owners. A comforting tale of life lessons, everlasting love, and evidence that nothing is ever happenstance, Yorkshire Pudding, set in 1969, is the year in a life of a mother-daughter duo that discovers their unique bond-both personally and through struggles of the era. Momo and Tutor together learn about themselves, their community, and society's discriminations. Yorkshire Pudding not only invites readers into the lives of a single eccentric mother and her precocious daughter, but also into the lives of a handful of very diverse neighbors, all of whom are changed forever when the Moot puppies come into their lives. Having lost her husband while pregnant with Tutor, Momo tries desperately to create a family for her expectant child. The dog breeding business has a lot more to offer than income, she soon finds out, as the loving disposition of their Yorkshire terriers fills the void of loss. A small neighborhood is the backdrop for six people longing for a second chance at life, happiness, and perhaps a little closure. When fate intervenes, each of them finds that an unexpected gift can be found in a most unusual reincarnated package, as a little puppy. Yorkshire Pudding serves up a whimsical, celestial tale that will resonate with any reader who has ever loved a dog. Big on inspiration, this heavenly little story will melt the heart and bring sweet tears to the eyes of anyone who believes that dogs...
