Reviews

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

THE TROJAN WAR

DOWNLOAD

Cornerstone. Paperback. Book Condition: new. BRAND NEW, The Trojan War, Barry S. Strauss, Did the Trojan War really happen? Spectacular new archaeological evidence suggests that it did. Recent excavations and newly translated Hittite texts reveal that Troy was a large, wealthy city allied with the Hittite Empire. Located at the strategic entrance to the Dardanelles, the link between the Aegean and Black Sea, it was a tempting target for marauding Greeks, the Vikings of the Bronze Age. The Trojan War may have been the inevitable consequence of expanding Greek maritime commerce. Written by a leading expert on ancient military history, the true story of the most famous battle in history is every bit as compelling as Homer's epic account - and confirms many of its details. In "The Trojan War", master storyteller Barry Strauss puts legend into its historical context, without losing its poetry and grandeur.
