Viz Media, United States, 2011. Paperback. Book Condition: New. Shunju Aono (illustrator). Original.. 208 x 145 mm. Language: English . Brand New Book. Reads R to L (Japanese Style) T+ audience. This is the story of a forty-year-old salaryman who quits his job to pursue his dream of becoming a manga artist--and the family that has to put up with him. While not terribly unhappy, Shizuo Oguro can t fight the feeling that something in his life just isn t right, so he walks away from his stable (yet boring) day job to embark on a journey of self-discovery. Unfortunately for his family, this journey also involves playing video games all day while his teenage daughter and elderly father support him. Will Shizuo succeed in creating a true manga masterpiece, or will he be just another dropout living a life of slack? Shizuo s in trouble. At least, his father is convinced he is. In his ongoing campaign to convince his layabout, forty-something progeny to finally get his act together, Shizuo s father suggests a new approach: maybe Shizuo should just treat manga as a hobby and do something else--anything else--so as to look like less of a reject to both his family and society at large. Can Shizuo s burning desire to create manga triumph over his seemingly bottomless capacity for self-doubt and existential angst? Then again, maybe if Shizuo just comes up with a catchy pen name, everything will be golden and he ll quickly find himself on the merry road to publication. Right?.
