Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Hippias Major (or What is Beauty? or Greater Hippias, to distinguish it from the Hippias Minor, which has the same chief character) is one of the dialogues of Plato. It belongs to the Early Dialogues, written while the author was still young. Its precise date is uncertain, although a date of c. 390 BCE has been suggested; its authenticity has been doubted. In the Hippias Major, Socrates and Hippias set out to find a definition for beauty, but are destined to fail due to their inability to formulate an answer which encompasses the entire concept. The actual Greek term that is used in the dialogue often means fine or noble as well as beautiful. For this reason, translators such as Paul Woodruff typically translate the term as the Fine (things) instead of Beauty. As in Charmides, Lysis and Euthyphro, Hippias Major has an anatreptic purpose, that is, the result of the dialogue is to defeat commonly held opinions, without necessarily offering a resolution. The concept of something good in and of itself (if only obliquely) makes its first appearance in this work. The dialogue can be read as much as a serious philosophical work as a light satirical comedy with two actors. The astuteness of Socrates in taking refuge under the authority of a supposed third protagonist in order to direct biting criticism at Hippias, endows the dialogue with humour.
