Outskirts Press, United States, 2006. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Fun and stirring begining of a series called life inspired! Suddenly there was a loud splash and a big spray of water hit them. They turned and saw a large green head with sparkling bulging eyes. It was swimming towards them with a wide grin below two nostrils blowing the water running down it s slick green face. Nooooo. Marty drew out a long whisper. The big creature slapped its long, wet, webbed feet up on a branch of the giant log. Then, one haunch at a time, it stepped its back legs up next to the dinghy. Woo Manny drew out the same disbelief at the great amphibian smiling down at him. What s the matter? Might think you never saw a frog before. The frog croaked a silly laugh, and then looked serious. Twin brothers Manny the good mannnered little boy and Marty the little smarty, like alter egos in every child, take you on an enchanting and thrilling quest. Swept into Salmon Cavern where everything is big and everything is fast the boys meet characters and adventures with each turn of page. As they travel through the cavern and the seasons Marty learns valuable lessons in relationships and care of our environment that lead them home and toward a whole new venture to come.
