Forgotten Books. Paperback. Condition: New. This item is printed on demand. 392 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Excerpt from Tallyho Sketches of Hunting, Coaching, Etc There may be a diversity of opinion as to the comparative merits of fox and stag hunting; but there are very few who would not be contented with a spin across such a matchless country as the Vale of Aylesbury, where the size of the fences is in unison with the fields, most of which take a good deal of getting over compelling occasionally those who desire to go in the first flight to harden their hearts hustle their horses, and go at them full tilt. In the pursuit of the stag, they who hesitate are lost. There is no time for craning if they desire to live with such a pack as the Barons and unless their hearts are in the right place, and they keep their hands down, they will, in sporting parlance be nowhere.
