

Modern Pterosaurs: Human Encounters with Living Pterodactyls (Paperback)

By Jonathan David Whitcomb

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.First edition - This fully supports the literal Flood of Noah in the Bible, although the genre is nonfiction cryptozoology. For countless years, an old photograph has been seen on the internet, and some persons report they had seen it in a book decades before there was an internet. Now two scientists share their astonishing discovery: This is a genuine photograph of an actual animal that appears to have been a modern pterosaur, perhaps even a Pteranodon. Share in the excitement as one piece of evidence after another accumulates in favor of Ptp being a pre-1870 photograph of a modern pterosaur. Some evidences were independently discovered by two men (a physicist and a forensic videographer) who later shared their similar findings with each other, verifying the authenticity of Ptp. Was this photo created by a hoaxer who used Photoshop? See for yourself, as time and again the Photoshop conjecture is shot down. The missing-fingers of one of the soldiers in the photo is answered soundly, in a number of ways. The apparent halo near part of the head of another...
