Partridge India, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Three years worth of contemporary Indian poet Sandhita Chandra s work, written during her time as an undergraduate student in Delhi, highlights the young writer s coming-of-age. These 51 poems contain her evolution from an uncertain style to a definitive aesthetic, cataloguing ideas that range from the unwaveringly feminist and anti-imperialist, to slice-of-life stories and humorous haikus. The transformation mapped in these pages, from childishly dark to self-consciously clever, is rare in its wit and honesty. Read Sandhita s maiden poetry collection for the words she wholly owns as she comes into her own with amusing musings and political perspectives.
