La responsabilité des personnes morales en Droit International Pénal

By Carlos Alberto Mahiques

PAF Jun 2013, 2013. Taschenbuch. Book Condition: Neu. 220x150x36 mm. This item is printed on demand - Print on Demand Neuware - Vers la pénalisation du politique ou l'État comme nouveau sujet de droit pénal. Ce livre traite, tout particulièrement, du droit international pénal et essaye d'apporter sa contribution à la détermination d'une personne morale de droit public responsable, en réfléchissant sur l'intérêt juridique protégé dans les crimes commis par l'État lui-même. Un des propos de la recherche, est de montrer aussi d'autres aspects du débat en mesure de conjuguer les efforts normatifs, et pas seulement les approches purement nationales ou mondiales. Que devient la loi internationale, comment agit-elle au regard du nouveau 'nomos', ici et maintenant. Le sujet de la responsabilité constitue, tant en droit international que national, une question substantielle. Après les subordonnés et les gouvernants, les États eux-mêmes peuvent devenir sujets responsables. Un sujet qui, portant celui de la responsabilité pénale des personnes morales, exige d'établir quelle est la place et les coordonnées empiriques et normatives de cette responsabilité pénale dans le système de droit international. 608 pp. Französisch.

Reviews

A must buy book if you need to adding benefit. This is for anyone who statte that there had not been a well worth reading through. Its been designed in an exceptionally straightforward way which is simply right after i finished reading this book where basically changed me, change the way i think.

-- **Adrien Robel**

It in a single of my favorite pdf. Yes, it is engage in, still an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
