City Lights Books, United States, 2001. Paperback. Condition: New. New. Language: English . Brand New Book. These hybrid writings, staged as they are between fiction and theory, the domestic and history, abstractions and androgeny, the rational and the nonrational, the creator and her artifact, organize themselves against normative ideas while using whatever tolls of novelistic, philosophic, autobiographical, or poetic discourse present themselves to advance their tellings. Carla Harryman folds out ideas revealing more meanings and connections than seem possible, yet each new image settles irrevocably inside us, no experience, either literary or personal,...
