A BRIEF REVIEW OF UNITED STATES HISTORY: INCLUDING AMERICA S PART IN THE GREAT WAR (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Brief Review of United States History: Including America s Part in the Great War This pamphlet was prepared to meet the needs of all who desire to make a brief but comprehensive review of United States history, and who wish to gain a grasp of the subject as a whole in the very limited time at their disposal. Especially should it appeal to those who are preparing to take the examinations for entrance to West Point or Annapolis, or for the Civil Service. The average history text-book, with its five hundred to seven hundred pages of subject matter, serves but to confuse the student who must make a very quick review of the subject. On the other hand, many of the numerous outlines and condensed forms offer so little subject matter as to be practically worthless to the student who is not prepared to devote months to the study. The author has aimed to make this pamphlet serve the purposes of both outline and text. Where the student s time permits, it will be found most valuable as a guide to be used in connection with some standard text, and as such will be used in the class rooms at Severn School.
