SOUNDS TRUE INC, United States, 2007. CD-Audio. Condition: New. Abridged edition. Language: English . Brand New. Qigong meditation is the art of using your mind to direct the flow of energy within your body. This energy or qi is the bioelectricity carried by your nervous system. Current physiological research has verified that these currents control your immune system, the regeneration of organ tissues, and the growth of muscle and bone. Controlling this energy flow is one key to good health. On Qigong Meditations, master instructor Ken Cohen presents three authentic qigong exercises in specific detail, and teaches correct posture, awareness control, and cleansing the organs inside the body, with special attention given to proper breathing methods.
