He is an award-winning motivational coach with more than twenty years coaching success. He has a unique ability to inspire people to live up to their full potential. His success with student athletes has been incredible, to say the least, with a 98 percent student pass rate and an 80 percent winning percentage on the teams he has coached. His way of inspiring is simply ingenious and simple. He is an entrepreneur and also owns and operates Florida Boy Landscape Co. He writes country music and movie scripts with hopes to inspire people to live their dreams through songs, movies, and books. He is a lover of life and a Christian who believes that mistakes in life are just the stepping-stones to an island where we all find out who we really are. Ask yourself this question: If you could, if it were possible, what would you want to be doing for the rest of your life? If you don't have an answer to that question, then read this book, and he will help you find your answer. If you have an answer, then read this book, and begin the journey to living your dreams and helping Bradley fulfill his--to be a motivational, inspirational, spiritual person whose words touch your heart and soul.
