Morgan James Publishing, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It s a basic human right to feel and be safe in your community--where you live, work and play. But, few people know or understand everything it takes to make this possible. Safe City details the concerted effort and integration of new technology it takes to make communities safer for everyone. From fire departments detecting fires within seconds with thermal imaging to police departments detecting gunfire immediately through gunshot detection sensors, technology continues to evolve daily. Even surveillance cameras have taken great strides from the grainy images of years past, and just one camera can make a difference (read about how police identified the Boston Marathon bombers through a department store s video camera inside!). Safe City teaches the public how to harden targets and protect their homes, businesses, communities, themselves, and their loved ones. It takes a community effort to help reduce and prevent crime, and Safe City answers the questions people have along with pointing out many more that should be asked.
