

Building a Common Core-Based Curriculum: Mapping with Focus and Fidelity

By Dr Susan Udelhofen

Solution Tree, United States, 2014. Paperback. Book Condition: New. 277 x 211 mm. Language: English . Brand New Book. Building a Common Core Based Curriculum: Mapping With Focus and Fidelity by Susan Udelhofen is a roadmap for creating a curriculum centered on the Common Core State Standards (CCSS). Readers will explore various stages of curriculum development, from the preliminary work of building academic support to creating Common Core curriculum maps and using the curriculum-mapping data to track school improvement goals. During the curriculum-building process, schools will learn to better share information and will engage in significant, collaborative conversations about the curriculum. Chapter 1 sets the stage for the author s curriculum-building process. Readers will learn three essential structures for curriculum building: (1) active administrative involvement, (2) focused curriculum conversations, and (3) effective assessments. Chapters 2 and 3 outline the role of the CCSS as the foundation for the curriculum. Using these chapters, readers will master, analyze, and unpack the CCSS to effectively integrate them into the curriculum. Chapters 4 and 5 focus on creating CCSS-based curriculum maps. Chapter 4 offers sample scope and sequence maps outlining the overarching school- or districtwide protocol and time frame. Chapter 5 narrows the focus...
