Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Practical applications and street-smart ideas to use blockchain in the field. You ve learned the specifics of blockchain technology. You ve become the ultimate expert geek on this subject. You ve read my other books, and you know how it all works. So now what? Well, now it s time for you to apply these things in real life. That s why I added this book to the series to show you, for instance: The recent blockchain developments and how to stay up-to-date. What ethereum is and how to use it. The shifts in the industry and the kinds of employers who need people like you. How blockchain technology influences the cyber security systems, music industry and gaming industry. Threats to the system and the programming methods. All about investing, supply chains, and more. Curious yet? Then don t wait and start reading.
