Dover Publications Inc., United States, 1996. Paperback. Condition: New. Language: English . Brand New Book. Mozart s piano sonatas and fantasies comprise a body of work so central to the keyboard repertoire that a thorough acquaintance with them is as essential for every serious pianist as it is rewarding for piano students at all levels. This excellent edition contains all 19 sonatas and 4 fantasies, including works that have been erroneously omitted from most Mozart editions. Ranging in their technical demands from the relatively easy Sonata in C Major, K545 (one of the most popular piano works ever composed), to the profoundly moving Fantasy in D Minor, K397, and the challenging Sonata No. 19 in D Major, K576, these works are imbued with the clarity, grace, variety, and limitless invention that have made them perennial favorites with performers and audiences alike. Reprinted from authoritative editions, including Breitkopf Hartel s Complete Works, this volume is among the lowest-priced and most thorough editions now available.
