Brand New Book ***** Print on Demand *****.Excerpt from Regulations and Instructions for the Government of the United States Coast and Geodetic Survey For rules governing the preparation of progress sketches see General Instructions for Field Work. The date of beginning and ending field work should be stated. The general organization of the party should be stated, including a list of all official members thereof, with a statement of the general capacity in which each was employed. A table of statistics showing a summary of the results obtained should also be given (Form 21). It is also desirable to include in these reports brief remarks relative to the methods employed in executing the work reported upon. When the work of a field party is continuous from July 1 to December 31 a report of progress shall be made on the latter date if there is no immediate prospect of completing the work assigned. Recommendations upon methods of field work should be made the subject of a separate communication. All reports and official correspondence should be on standard size paper. 21. If the field season...
