Perfection Learning, 2013. Hardback. Condition: New. Language: English . Brand New Book. Mountain, Baldwin said, is the book I had to write if I was ever going to write anything else. Go Tell It On The Mountain, first published in 1953, is Baldwin s first major work, a novel that has established itself as an American classic. With lyrical precision, psychological directness, resonating symbolic power, and a rage that is at once unrelenting and compassionate, Baldwin chronicles a fourteen-year-old boy s discovery of the terms of his identity as the stepson of the minister of a storefront Pentecostal church in Harlem one Saturday in March of 1935. Baldwin s rendering of his protagonist s spiritual, sexual, and moral struggle of self-invention opened new possibilities in the American language and in the way Americans understand themselves.
